Meals On Wheels and other senior programs

The 11th Annual Travers Wine Tasting benefits Senior Services of Albany's Meals On Wheels program and other senior-related services. The agency is home to one of the largest home-delivered meal programs in upstate New York, delivering more than 380,000 meals annually to the homebound elderly and non-elderly disabled.

Senior Services of Albany is a 501(c)(3) nonprofit, public service organization serving seniors and caregivers in the Capital Region for over 56 years. In addition to Meals On Wheels, Senior Services of Albany operates several Senior Centers, Newgate Adult Day Services and provides information and support services, caregivers' services, transportation, congregate meals, and health, wellness and social enrichment programs.

They strive to initiate intergenerational opportunities for clients, including the Friendly Home Visitor Program and the Grocery Shopping Assistance Program. Volunteers involve their children and grandchildren in visitations, helping to bridge the gap between our youth and elderly populations.
